**Rate Information**

This is an interest bearing account with a variable rate. Please refer to the rate schedule at Varsity.Bank for the current annual percentage yield (APY). The APY is determined according to the balance and the corresponding tier as listed.

The interest rate and annual percentage yield for these tiers may change. We may change the interest rate on your account daily.

You must maintain a balance of \$2500.00 in the account to earn the stated annual percentage yield.

Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Interest is compounded daily and credited monthly on the last day of each statement period.

If you close your account before interest is credited, you will not receive the accrued interest.
